Free discs

Please find enclosed your free blank discs. When formatting them before use, please note that they are intended for use at data densities up to and including the 800K ADFS format. While they may format to 1.44MB or 1.6MB, reliability of data storage at these densities is not guaranteed.

Registration Card sticker

Please attach the green sticker enclosed in this bag to your Owner Registration Card before returning the card to us, so that we can send you your money-off vouchers and software catalogue which contains information on hundreds of applications for your computer.
